**SCHOOL MEMORANDUM**

No. 62, s. 2023

**CONDUCT OF "Mastering Work Ethics: Cultivating a Culture of Excellence and Professionalism" and "From Clashroom to Classroom Management: Fostering Productive Learning Environments"**

To: All the teaching staff of LYFJNHS

1. This office directs all the teaching staff to attend the training on Mastering work ethics: Cultivating a culture of excellence and professionalism and From clashroom to classroom management: Fostering productive learning environments on Thursday, June 29, 2023. The time and venue are indicated in the approved proposal same with the training matrix.

The main objectives of the training entitled "Mastering work ethics: Cultivating a culture of excellence and professionalism are:

- a. understand the concept of work ethics and its significance in the workplace;
- b. learn essential principles and practices to cultivate a culture of excellence and professionalism;
- c. explore strategies to address common work ethic challenges and dilemmas;
- d. enhance communication and collaboration skills to promote a positive work environment; and
- e. develop a clear understanding of professional behavior and its impact on personal and organizational success.

The main objectives of the training From clashroom to classroom management: Fostering productive learning environments

- a. explores methods and tactics for controlling classroom conduct in order to achieve behavioral, social, and academic achievement in a regimented setting that fosters tolerance, model behavior, and learning;
  - b. make sure students participate actively and act appropriately throughout classroom activities that will improve their abilities in anticipation of future educational advancement; and
  - c. instill on learners to comply with school regulations, as long as they are in harmony with their interests.
2. The identified participants are enjoined to attend and give their 100% focus to the said activity.
  3. Attached herewith is the approved Activity Proposal with Activity matrix and Technical Working Group.
  4. Immediate and widest dissemination of this Memorandum is highly desired.
