Dear Sir:

Greetings of peace and prosperity!

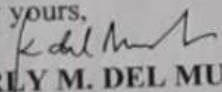

Luis Y. Ferrer, Jr. North National High School is in the process of functionalizing the Robotics Program for this school year. In light with this, we would like to be equipped with the knowledge and best practices especially in pioneering and executing the said program. It will be a great help for us to learn from your school's Robotics Program.

In this regard, on behalf of the Robotics Team, I would like to request from your honorable office to allow us to benchmark in your school's Robotics Program on 17 February 2023, or any date convenient to you. We look forward for this great opportunity.

Your positive response for professional assistance with us is greatly appreciated.

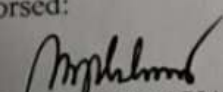

Thank you so much and God bless.

Very truly yours,
